PROFILE INFO

Hi, I'm Inayatullah Shinwari, a Computer Science graduate currently working as a Database Developer/Manager and Web Developer at Salam University. With 4+ years of experience in Web Development and Programming, I'm passionate about leveraging technology to solve everyday problems. Eager to learn and grow, I thrive on challenges and seek opportunities to expand my skills. Let's make a positive impact together through the power of technology.

WORK EXPERIENCE

Application Developer/Web Developer   **Jan 30, 2023 - Present**
Salam University, Kabul, Afghanistan

- Responsible for maintaining and improving the university's official website using Tailwind CSS, Ajax, and Laravel.
- Fix bugs and add new features to enhance the website's functionality and user experience.
- Enhance and maintain the desktop application (MIS) developed using C# Winforms and SQL Server.
- Collaborate with cross-functional teams to identify and prioritize software issues and feature requests.
- Provide technical support and training to end-users to ensure effective use of software systems.

Web Developer   **2020 - 2022**
N Technologies

- Gather and refine specifications and requirements based on technical needs.
- Create wireframes, website layouts, and user interfaces with Tailwind CSS and standard HTML and CSS.
- Developed Multi-user web applications using Django web framework
- Add unit testing for the web applications to ensure all applications work according to user needs.
- Takes care of application security while developing web applications, so they are not vulnerable to security threads.

Web Designer

CHILD EDUCATION SUPPORTING FOUNDATION (CESF)

2018 - 2020

- Gather and refine specifications and requirements based on technical needs.
- Create wireframes, website layouts, and user interfaces with Bootstrap and standard HTML and CSS.
